HOW TO GET TO US

Exit from Macpherson MRT Exit B

Walk along the shelter in front of the station

Continue ahead until you reach a left turn

Turn left along with the shelter

Continue ahead until you reach a right turn

Turn right along with the shelter and continue ahead

Continue ahead until you reach a traffic junction

Cross the road once you reach the traffic junction, our shop is just right ahead!

Lift Lobby will be just in front! Our unit is located at level 2

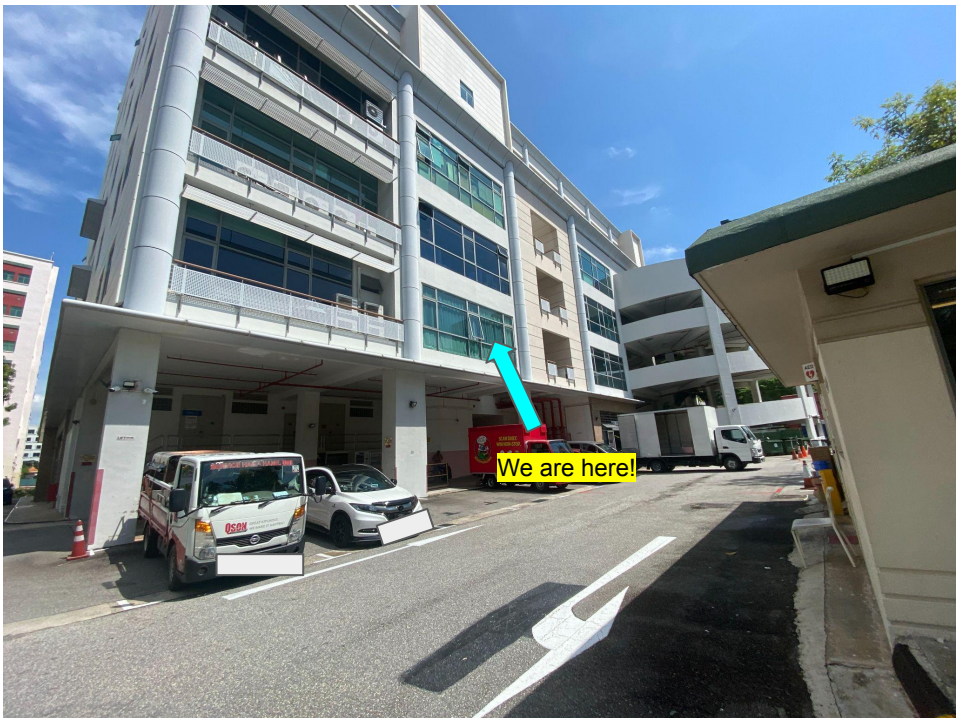

We are here!

If you are driving, please enter the carpark from the right side as left side access up is only for season parking (we wish you could access too)

Designated parking area, and our unit is just directly above!

Lift access can reach our unit as well!

Carpark exit is right behind the building, you can enter from here as well!

We hope this is useful and we look forward in seeing you here!
